

Centro Médico Teknon

Grupo Hospitalario Quirónsalud

Teknon Medical Center is located in a residential area of a prestigious part of Barcelona on Vilana Street, near Bonanova Boulevard, in a calm and comfortable environment with convenient public transport links and private car entrances.

How to get by private transport:

From the side of Girona. The Ronda de Dalt roundabout has exit 9 (Sant Gervasi).

Stick to the side to the flowerbed, where to change direction.

Further straight to the street. Marquesa de Vilallonga, where the side entrance to the Teknon Clinic is located.

From the side of Lleida / Tarragona. At the county Ronda de Dalt there is exit number 7 (Sarrià).

Continue straight on to st. Marquesa de Vilallonga, where the side entrance to the Teknon Clinic is located.

International patient department:

When you enter the clinic through the main entrance, you find yourself in a large hall.

You need to go along the right edge of the hall and in its center,

to your left will be a door with the sign "international department"
